

# YOUR ULTIMATE EMR UPGRADE

## Why Choose Careficient?

### One United Platform

- Integrated Care Management: Manage Home Health, Hospice, Home Care, and Palliative Care from a single, seamless platform.
- Effortless Coordination: One-click patient transitions ensure smooth handoffs and continuity across care settings.

### Always Compliant

- Regulatory Updates: Stay ahead with our compliance-first approach. We promptly update our software with all regulatory changes.
- Comprehensive Reporting: Utilize detailed reporting tools for PPS, Karnofsky, FAST, NYHA, ESAS-r, PHQ-4 & PHQ-9, and Cognitive Assessments.

### Cost Transparency

- Subscription-Based Pricing: No hidden fees or surprise bills. Our transparent, cost-effective subscription model ensures peace of mind.
- Streamlined Billing: Ensure accurate claims and faster reimbursements, maximizing your cash flow.

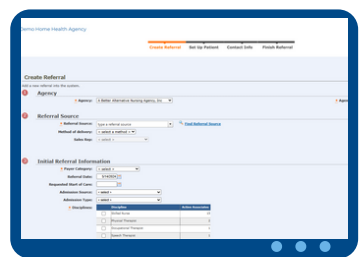

### Effortless Onboarding & Continuous Support

- Seamless Onboarding: Get your team up and running quickly with our streamlined onboarding process.
- Continuous Support: Access extensive training resources through Careficient University and receive ongoing support whenever you need it.

### User Friendly Interface

- Intuitive Design: A modern UI designed by clinicians for clinicians, enhancing workflow and productivity.
- Enhanced Navigation: Features like a left-side menu bar, visual indicators for updates, and a collapsible menu for optimal screen use.

## More Than Just An EMR

Additional services ensure your practice not only runs smoothly but also thrives in a competitive healthcare environment, offering a holistic approach to healthcare management beyond our core EMR solution.

### Consulting Services

- Operational Efficiency:
- Regulatory Compliance:

### Revenue Cycle Management (RCM)

- Billing and Claims Management:
- Financial Performance Insights:

### Training Programs

- Customized Training:
- Skill Development:

## Success Stories: Our Customers Words Not Ours

*"With a team of RCM experts on-hand, Careficient helped us grow the agency without having to take on additional staff. We were able to streamline our entire billing process and dramatically reduce outstanding receivables to get reimbursed faster and maximize our cash flow."*

– **Shelly L., Acute Nursing Care, LLC**

*"I currently manage three home health agencies, while also processing the invoices, managing payment postings, and handling payroll. This is only possible due to the seamless functionality in the Careficient EMR system."*

– **Bev, Sacred Heart Home Care**

*"We couldn't have asked for a better experience in the transition phase to using Careficient. From project management to training to implementation, the Careficient staff guided us through expertly."*

– **Mary N., Executive Director**
